SPIRITUAL INTELLIGENCE

Jezebel was a witch; she was not a wife, that's why she appears in the book of Revelation again. She re-emerges again. The personality Jezebel was an adumbration of a system. The bible says during her time the prophets of God suffered so much. The prophets of Baal were reigning, and they killed the prophets of God. Suddenly a strange man without origin just emerged, Elijah the Tishbite. From where he came, we don't know, we don't know where he was taught the things that he knew, but the bible says he was a representative of a spirit. Elijah represented the sword of God and the bible says when he showed up, he showed up for one assignment; to conquer that she-goddess and afterward, he left.

Who is this strange man? He was seen re-emerging again. Jezebel was seen in the book of Revelation; Elijah is still in the book of Revelation. Where was he trained? Who taught him? That the eyes of witchcraft could not find. Elijah rose up as a *cry* when the prophets of God were suffering; only about 400 of them were been kept in disguise by a man called Obadiah. No prophet could lift up his head and prophesy the counsel of God. The bible says in response to their cry, one great prophet; Elijah the Tishbite was sent. A single man, who terrorized the system of Jezebel and brought her to her knees. And the bible says before the day of the Lord, Elijah will come back again. But he will not come back as a person, but he will come back as an apostolic generation.

In the similitude of what was adumbrated in the Old Testament, nobody knew about his spiritual training, he was a strange manifestation. This is the making of Elijah – The authentic Spirit of prophesy that will arise. Elijah the Tishbite, suddenly showed up and began to cause havoc to this godless system.

You need to know that you are a representative of this Spirit of Elijah; this authentic, apostolic, and prophetic spirit. And the first assignment of Elijah is to destroy the altars; to come in with a dimension of God that has not been seen, that would bring the powers that have been to their knees; a re-emergence of the Elijah Spirit.

There is a level of light that you will carry and you will become a threat to the realm of darkness. You will be so bright, the powers of darkness cannot ignore. Our job is to expose the works of darkness and to bring people to accurate spiritual understanding.

¶He won't stop, till we look just like him (2x)

God is working something strange in this place

God is revealing something new in our midst

He won't stop, until we look just like him.¶

1Timothy 4 vs.1 *Now the Spirit expressly say, that in the latter time, some will depart from the faith, giving heed to seducing spirit, and doctrines of demons*

The bible says in the latter times, there are cer-

tain people who fall, some people will depart

from the faith and will begin to give heed to de-

ceiving spirits and doctrines of demons. Note, he

didn't say *doctrines that were taught by demons, or*

doctrines manufactured by from the pit of hell and

brought but accurately brought by demons.

Vs. 2 *Speaking lies in hypocrisy; having their con-*

science seared with a hot iron

Vs. 3 *Forbidden to marry, and commanding to ab-*

stain from meats, which God hath created to be re-

ceived with thanksgiving of them which believe and

know the truth

Vs. 4 *For every creature of God is good, and nothing*

to be refused, if it be received with thanksgiving

(Prayer: I receive light)

When our minds are matured, we will be able to comprehend the things of the spirit deeper.

Do you know what scares principalities, power, and demons? It is not the stature of a man, not your grammar or degree, but the degree of light. When you see the spiritual structure of a believer, you can know his level in the spirit, by the degree of light.

At the mount of transfiguration, Jesus reveals to us how the spirit man was; it was light so bright that the people could not comprehend it.

Every time we come to his presence, by revelation, we keep contending to attain unto that dimension of light, and the degree to which we conform to that light is the degree to which we rise to maturity; a product of revelation.

The difference between **revelation** and **information** is that revelation transforms while information just gives you awareness. If it was a revelation, it must change you. It was designed to change you if you truly understand it.

The bible says in vs. 1, that men will give room to deceiving spirit. Who are these spirits, where did they come from? What is their ministry?

We are in a day and age that if you lack spiritual intelligence, you will die; we need it as a matter of urgency.

In every generation, there is always a contention of light and darkness; there are people who just go around as social beings, but there are certain people who understand spiritual things and are anointed to communicate the counsel of God, to make sure that the banner of God is lifted throughout that generation; and we happen to be that generation.

There is a lot of error going on in the body of Christ and this error is so deep, it calls for immediate response. If we do not respond to the tragedy that is happening in the body of Christ and we allow this “Jezebel” to strangle away the prophets of God, it will be a pity. If Elijah did not

arise, it will come to a point where no prophet would speak the counsels of God.

There is a lot going on in the continent of Africa, especially in Nigeria; the firstborn of Africa. Nigeria is the model to the continent of Africa in terms of spirituality. It is important that we preserve the things of the spirit.

There are three errors in the body of Christ

1. **Apostasy:** A departure from the accurate truth of God's word, not a departure from doctrine, but a departure from the known patterns of God. Everything about the building of God's kingdom is not left for the discretion of man. God in his nature will not allow a man to build his kingdom his own way. It has always been the character of God to create a pattern for man to access him.

Apostasy, by the activities of wicked spirits, men begin to deviate from the accurate pattern of God. The bible says *that some will depart from faith*. What faith? Christianity? No! God never called us Christians. The faith is a pattern; the patterns that our forefathers followed. They knew something that made them walk with God and make the kingdom of darkness quake before them and now, there is a gradual deviation.

The church here in Nigeria is deviating fast, and there has to be an intervention of "Elijah". The few prophets of God who are left in the country are facing a lot. "Jezebel" is prospering on our pulpit in our churches, across different places, while the true prophetic and apostolic voices are being quieted, until "Elijah" rises. And that there will be an open contention between light and darkness, to return the body of Christ back to the pattern. Otherwise, we are going to lose and miss it, not just as a continent or nation but as a people.

Mat 13, Jesus began to explain to us the tragedy that will before the church.

Vs. 24 *And another parable he put forth to them, saying The kingdom of heaven is like a man who sowed good seed in his field.* That man is God, his purposes, and counsel, he started by sowing good seeds. He created a pattern, but something happened...

Vs. 25. *But while men slept,* ...this is how the spirit of the anti-Christ began to enter the church, he began to cause men to sleep. The bible says that it got to a time that the Eyes of Eli started getting dim, the bible likewise said that the eyes is the light of the body, that means if your eyes close, there is no more light, no more illumination, no more access to divine things. And the eyes of Eli continue getting dim until it got to a time when men *slept*.

When men began to intercourse with Babylon when they began to respond to the prompting of this anti-Christ system, when they began to do ministry by doctrines, patterns, and methods that are not consistent with the way of God, the bible says they started giving heed to deceiving spirit and embracing the doctrines of demons.

...his enemies came and sowed tares and the wheat and went his way. This is what is happening to the Nigerian church. There is a mixing of that which is authentic, with that which is counterfeit, and of all them are being mixed in our churches, parishes, and assembly causing so much confusion that will take the accurate eyes of the eagle that is brought forth by the spirit of Elijah to differ between bones and marrows and to show the church that no matter how this looks, it is not of God.

Vs. 26 *But when the grain has sprouted and produce a crop, then appeared the tares also.* That means when they sowed it, it was there with a tendency, but yet to be manifested. A lot of people

started the ministry, they hear the voice of God, but they did not stay in the spirit for the Holy Spirit to keep working and pruning out anything that is not of Christ; eventually, as the ministry started expending, they notice a strange thing happening in their assemblies; tares are also growing.

Vs. 27 *So the servant of the owner came and said, sir, did you not sow good seeds?*. In other words, who gave these pastors this message, where did this Rhema come from, where did this doctrine, this revelation that we have built ministries, held convention and meetings with teachings that have no bearings with the pattern of the kingdom?

Vs. 28 *He said unto them, An enemy hath done this. The servants said unto him, wilt thou then that we go and gather them up?*

This is what makes a lot of men of God think that what they are doing is right, because in the wisdom of God, and for the sake of the elects of God, pruning cannot be done yet because in the midst of this tares are genuine people, they are not strong enough to stand the heat of separation, so let them grow.

Vs. 29 *But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them.* And so God allows many churches and ministries to grow, in spite of their wrong doctrines, money and membership grew and because of that a lot of people thought that it was an endorsement that they were doing the right thing. But right now, the spirit of Elijah is suddenly showing up, because the “weeds” have become matured enough for the separation to begin to take place.

Vs. 30 *Let both grow together until harvest: and in the time of harvest I will say to the reapers, gather ye together first the tares and bind them in bundles to burn them, but gather the wheat into my barn.*

This implies, Let the church grow even with the error, no problem, I will have a way by my wisdom to manage it, but a day will come and the separation will happen. There are so many people that have stood on the pulpit and said so many things that God does not have a hand in it at all, many conventions in this country that God has no business with what is going on. They have organized God out of church programs, they have gone to minister conferences and imbibe doctrines of demons by men and women who have no altar at all.

...let them both grow. So they came back applying these things and it seems to be producing results, but right now it has gotten to the point where it is disturbing the remnant of the house of God. And except the spirit of Elijah arises and addresses it, the casualty will be too much.

... until the harvest, and at the time of the harvest I will say unto the reaper, first gather together the tares. This is why we are beginning to attack these things because the season of the harvest is here. There is a way you can look at the atmosphere and see that the harvest is near --- *and bind them in bundles to burn them, but gather the wheat into my barn.*

So it started with good seed; the man of God started as a genuinely anointed person, the ministry started as an authentic ministry, but eventually, while men began to sleep ...*a little sleep, a little slumber, a little folding of the eyes, poverty* – not just lack, but deprivations of all sort; physical, material and otherwise *will come upon you, suddenly like an arm banding.*

In the story of Samson and Delilah, Samson was a type of a church, Delilah was a wicked spirit, Samson was called to be a judge over Israel. The bible says ...*Saviour shall arise...* everything in the bible was prophetic, it is an adumbration of something – a foreshadow, a prophetic pre-play

of something that will happen. Samson was a man who was strong, and he terrorized the philistines

Every time men who symbolize the government of God appears, it was women that threw them down, because women have the capacity to give birth and reproduce their kind again. This is why the bible called Babylon(Harlot) In Revelations 17*she is a woman, that sits upon a beast that has seven heads and ten horns.*

When Delilah came to Samson, she studied his weakness, she didn't come with a sword, she came donated her laps free of charge for him.

The nature of the glory of God is that it does not depart suddenly, in the vision that was shown Ezekiel, when the glory of God was leaving the temple it left slowly; peradventure the people might realize and repent.

What is a woman looking for, trying to know the source of a man's strength? She didn't ask for marriage, neither did she ask Samson to sleep with her, nor give her money. All she kept saying is "Samson, tell me the secret behind your strength. All she was concerned about was his anointing because it was with that anointing that could conquer the spirit of the anti-Christ. She wanted to kill the source of his strength, and she found out that there was a relation between his eyes, hair, and his strength. That was why when she captured him, the first thing that happened was his hair and the second of his eyes.

These women were not normal, they were envoys of demonic entities. They did certain things that did not make sense, for instance, why will Herodiah ask her daughter for dancing well to make sure she tells the king that she wants the head of John the Baptist?

There are many things that happen in the bible that if you don't read with the spirit of revelation, you will not get the insight. This is the

error that many people carry, they have just read it theologically and brought forth doctrines that are not accurate, but the spirit of Elijah comes, dividing the word of God accurately.

Disguising through stories and people has been the same battle; the battle of the light and darkness. The bible tells us that before the coming of the son again, there will be a repetition of the days of Noah.

Do you know what Satan told the angels that made them comply (when he fell)? Satan must have told them something that was really captivating, for them to leave their “estate” and come down to partner with him. Because of Satan's access to the throne of God, he has certain mysteries. Satan rebelled and made his manifesto clear in Isaiah 14. But he deceived all of these people, and when he was cast down, he casted together with a lot of certain angel.

The garden of Eden is not in the earth realm, that is why they cannot find it, it is still intact with the tree of life but man was driven out of that garden. But there was prophesy that started the great battle ...*the seed of the woman shall bruise the head of the serpent*. And Satan knows that when Jesus speaks he already knows the strategy.

Familiar spirits are not just out to monitor your life, but to monitor the strategy of the spirit for every season.

When Adam knew his wife and gave birth to Cain, Satan thought that Cain was the person that God will use, because he knew that God will need a man, so Satan entered Cain.

I timothy 4 vs. 1. Satan always changes the pattern of God because when God designed family, he made man the head of the family, which implies any correspondence through God should go to the man. Satan changed this and went instead to the woman. Everywhere you see the manifestation of the spirit, the woman there tries to

usurp it on the man – Jezebel, Herodiath, and others.

These are the devices and methodology of the enemy. It may have changed and metamorphosed through seasons, but the pattern is the same. When you sustain the eye of prophecy, you can detect him at once.

Satan bargains with Cain and Cain began to manifest another spirit because he suspects that God might want to use Abel, so he began to manipulate Cain, little wonder why Cain would want to kill his brother.

In the passage of time when Cain killed Abel, he started building a city, the bible didn't record that he was an architect, what made him to lust after building a city was the spirit of anti-Christ. God wanted to build a city and name it after his son, so the spirit of the anti-Christ took over Cain and he built a city and named it after his son. That was where atrocity started from.

Noah was a very straight man, he walked with God, he had the manuscript to build the ark, it was a prophetic message. He had a secret that he knew that made him the head of the spiritual activities of that generation. He talked and communicated with God, he understood the mystery of the flood.

When they came out, eight of them, Satan started looking for somebody else to enter, so he entered Ham, to see his father's nakedness. He did not only see his father's nakedness (*it was a coded word*) – he saw into the secret that Noah was supposed to preserve. And he received a great curse *you will be a servant of servants* just for seeing his “nakedness”, what of children that had to take care of their parents in the hospital, bathing for them? So it shows that it was just beyond a physical nakedness. It was opening something spiritual that he was not prepared for.

Every time men shifted from God's pattern, they suffered. This was why he cursed ham

Satan found expression through Ham. In Genesis 10 vs. 8ff Suddenly, another wizard who was the son of Cush from a lineage of Ham emerged, a man called Nimrod. He had so much power and influence. The Bible recorded that he was a hunter, we didn't see any animals that he hunted, so what was he hunting? He was hunting for souls, established in the book of Revelation.

Satan suddenly realizes that destroying men is not the way, so he says let's adopt them and use them instead of killing them.

There are things you will understand and the devil will run away from you because he knows that light has brought everything out of darkness.

Faith does not have to be on something you don't understand. The true concept of faith is not just built on shadows that cannot be understood. No pilot would fly a plane if he doesn't know how to, claiming he believes in God to do the protection.

Faith is not a mystery. The bible made it clear that we should not be unaware of the strategy of the devil.

Nimrod, son of Cush also tried to build a city, the city that Cain try to build, and then the judgment of Noah canceled everything.

When you study bible history (Origin of occultism and witchcraft) Nimrod was the son of Cush. Cush married a woman called Samiramin, she was a witch. (These were possessed women, incarnates of hell). Samiramin killed Cush her husband and Satan came and re-play this thing, making Nimrod believe that he was going to make him Lord and be great. The price for that is that he will abrade the normal progression of human beings. And then Nimrod married his mother. Nimrod was the hunter of souls, his joy

was to exert so much influence that he will bring people to himself.

This spirit looks for women in every generation that would represent its operation and look for men that will compromise. That was how witchcraft and occultism started.

When Saul was king, he dealt with diviners and necromancers; he frustrated them so much that it was only one woman that was left. A time came when Saul “slept and deviated” from the things of God, he went to go and consult her. And when she met him, he concealed himself. The woman invoked the spirit of Samuel, his similitude; talks and looks like him, but not him. The spirit of necromancer didn’t start with Africa, they have existed in the scripture.

Demons are also referred to as disembodies spirit which means they are spirit that does not have bodies to find expression, they are consistently under frustration. When that spirit leaves a man, it becomes restless, because it needs a material medium to communicate.

There is a law in the earth realm that if you do not have a body you cannot function here on earth.

Demons are not the only wicked entities in the satanic kingdom, they are just a class of wicked spirit. There are powers and principalities, those ones are not demons.

*I have come to the end of myself, take over Jehovah
I have come to the end of myself, halleluyah halleluyah*

When these cultic people leave their body, they shut the room, so that nobody comes to push their bodies, why? They must return the same way they left. If you shift their body, they are not dead, but the spirit cannot return to the body again. There are many spiritual entities like that in the spiritual realm.

Dominion happens naturally, light brings you into it, we are reducing this Satan once and for all so that he will know that the church is truly a victorious church.

It is within the character of angels to translate themselves, which means they can change things.

When you examine the psalmist and the things he began to speak, you will discover that the spirit of the revelation was upon him.

Note: If you get too used to revelation, the devil can use it to kill you. He won't kill you just by oppressing you, he will make you so puffed up. The revelation that should deliver you is not delivering you, but you can start explaining the mysteries to people.

The goal of revelation is not for entertainment, it's to equip you with light that dispels every darkness.

These angels translated themselves in the days of Noah and they started having intercourse with physical women, therefore the children they give birth to were not pure humans. That is the origin of Giants. The children they give birth to have six fingers and toes, with superhuman abilities, surprisingly that breed still exists till.

This is what scientists saw that they called "X-Men" what is "ex" - formal. This is what they see behind their producing the film's shown in cinemas today. All of these scientific films keep telling you that war is coming and that battle is between mankind and another race. This was the whole subject of "Lord of the ring" and they had to consult other kingdoms and bring their King's together. These things are spiritual messages.

These scientists through sorcerer and astrology can peep into spiritual things. It's not that they know the future.

This is what is adumbrated in geography; that it is possible for one region to begin to access things before the other one. It happens in the spirit too. And this is the principle of divination.

[Take me to the place, the place you are

That secret place, that's where I wanna be, that's where I wanna be]

2. **Messages from hell (Divine realm)**-cer-

tain people claim they went to heaven or hell and come back to sell CDs and books (the core message in the body of Christ is not the Bible again, it is who came with what from where- these are the deceiving spirits and the doctrines from demons). *The Bible says if the time is not cut short, even the elects might be deceived;* It must be a great deception that makes people see a lie and call it the truth.

Although there are few people who we trust their experiences, as a matter of fact, they were the initial people. Some even gave the CDs free to show how much they want to be dissociated from this world.

Today there are nonsense, and there are many church pastors in an attempt to show response to spiritual things invite these people and they come back to the altar to speak heresies they claim to see when they went to hell.

A lot of people came with revelations that are destroying churches and families right now. Imagine somebody who claims to have been to hell and came back with a list of almost all living ministers that they are sure candidates going to hell. This is the strategy of the devil.

The people are innocent; they do not even know that they are under deception. Paul said *I was caught up to third heavens*, which indicates that there are other heavens, a lot of other realms, several Galaxies some of which have inhabitants. This is the mystery of aliens, there are a lot of

stories we don't know in the earth. There are many people in this earth realm that are not pure human beings, agents of darkness preparing for the revival that is coming. Philippians 2...*that every knee...* It's not just talking about the hell alone.

3. Negligence of spiritual law-

There is an exaggeration of what we call the grace message, there is a jurisdiction to which when the grace message steps out it will be misleading. There are many people who do not almost want to read the old testament- law. They feel they don't need it. But what is law? Is it the Ten Commandments? Mosaic Law? combination of the two? Or other spiritual laws?

There are two ways to bind the devil; one is prayer, the other is revelation. When authentic light enters you, you will grow out of some things at once.

Deliverance does not necessarily mean you have to fall. Light is the one that drives out darkness permanently. Some certain deliverance looks so easy, not because the man is powerful, but the demons are mocking the man because he has no spiritual intelligence, when the person leaves the church, only for the demons to enter back, fortified with other seven.

There are many churches struggling with deliverance because the whole service from morning to night is deliverance.

There is a balance here ...*he sent forth his word, and his word healeth them and delivereth them.* What people call word today is not what God calls it because their word is not healing, not delivering.

If it is the word, some things should happen, if it is not happening, it is not the word.

The word is not just script, because until the Apostles came, there was no manuscript, but the people understood the word.

...ye are cleaned through the word that I spoke to you

Luke 16 vs19ff *There was a certain rich man, which was cloth with purple, and fine linen, and fared sumptuously every day*

Vs. 20 *And there was a certain beggar named Lazarus, which was laid at his gate, full of sores*

Vs. 21 *And desiring to be fed with the crumbs which fell from the rich man's table, moreover, the dogs came and licked his sores*

Vs.22 *And it came to pass that the beggar died, and was carried by the angel into Abraham's bosom, the rich man also died and was buried*

Vs. 23 *And in hell he lifted up his eyes being in torment and seeth Abraham afar off and Lazarus in his bosom.*

Vs 24 - 31

Unlike the teachings that had been taught that Abraham was potent, it was not true, because he slept with Haggai and she became pregnant.

Jacob was representing what happened between Isaac and Ishmael and that is why God was called God of Abraham, Isaac, and Esau.

Vs. 24 The flames been talked about here are not the physical flames that you know, it is a fire that can touch their spiritual body, this is a type of fire that causes thirst. When it destroys you, not only do you go through pain but it can absorb everything around you and causes a feeling of thirst and it is very frustrating.

Vs. 27 *Then he said, I pray thee therefore, father, that thou would send him to my father's house*

The request of the rich man was for Lazarus to take revelation back to the earth and show his people, saying he is from the hell and this might probably make them believe.

It is not God's original strategy to bring people back from the world of the dead to bring revelation to the inhabitants of the earth. Abraham made it clear that it wasn't a normal route of dealing with men to make them grow. They have preachers already that they should listen to.

These teachings of people claiming to go to hell and come back with various messages, the Bible tells us the living and the dead have no relationship, there is something that separates the living and the dead. *It is appointed for a man to die once and after that judgment.*

By divination, people's spirits have been invoked and a lot of things have been done. Many of these places these people went to, were certain realms in the spirit, they had never been there. Some of these things they encounter were not Jesus Christ. They encounter spirits that can disguise as a spirit of light. If you see a spirit in the realm of the spirit, you will still need spiritual intelligence to relate with them, because Satan can appear as the angel of light.

Jesus confirmed this when he sent the 70 disciples, that he already knows the new strategy of devil, to translate as the angel of light and will go to the pulpit as an angel of light.

Satan saw that Jesus could give his authority to men and they could legislate on his behalf. This gives Satan the idea of the next strategy to translate as an agent of light to deceive them instead of killing them. Jesus had to, therefore, pray for his disciples.

So we see Satan moving around as elders in the church, overseers, and recruiting men who are entering into deception and delusions without knowing. But we are this army that God is granting us light across the surface of the earth and will break the holds of darkness in the name of Jesus Christ.

The Bible says we shall know a tree by its fruit, which means anything that God creates, leaves an imprint of itself. If God gives you a word that is from him, there will something about his charisma on it. There are many people who have gotten into religiosity, losing businesses, locked out of school etcetera. The devil has no power of creation but can mimic and corrupt that which is created.

There is only one reason why people are in hell; rejecting the gift of salvation that Jesus brings.

This ignorance is killing what the Bible calls the assurance of salvation. Many people, even preachers don't know whether they are fakes or not.

These are false presentations of the gospel of holiness because there is the authentic gospel of holiness, this is one of the biggest disasters that had happened to the church of God. What has been taught to be the gospel of holiness is not what Jesus taught.

A lot of people believe they are going to go to heaven based on the things they have kept and avoided. You have no right to take a revelation and begin to yoke it on people, based on your perception of truth. The army that God is raising, is an army that must remain as students, such that you are not ashamed to confront the revelation that you have held as authentic when you see a higher light. We must have that humility. There is nothing embarrassing to admit that I was once blind, but now I see.

The Bible talks about a man called Apollos, he was a learned man, but he knew only the baptism of John. And the Aquilla and Pricilla came and expounded to him more perfectly and he was humble enough to receive. Then he went to the temple and begins to argue and debate intelligently.

There are lots of people in the body of Christ who are under terrible bondage that innocently came, but it was a product of deception.

For instance, there are many people who believe if I hug a lady, it's dangerous to my salvation. Salvation is personal, your dealing with God is personal and it's time for us to kick the walls that are stopping us from entering the authentic experience of the kingdom.

A brother under the tag "religion" distances from a sister in which he lusts after, and people who

see him think he is a saint, whereas he goes back home masturbating. The devil is happy with this since he has been able to capture him.

There are so many atrocities happening in the church, pastors sleeping with members, everyone pretends, and hide under the demon called religion. That does not mean we will be lawless, hence the balance.

There are some things that just don't make sense; a man of God hanging all sorts of chains around, sharing rings, and all sorts. This is nonsense, a spirit of seduction.

A woman preaching on the altar and half of the message is not been followed by the brothers because of her seductive dressing.

There are a group of immature revivalists, in their bid to contend these things in the flesh, tell people to be as lawless as they can be, a proof that they are out of the law. We are a disciplined army, not idiots. Liberty is not rebellion.

2Corin 12 vs. 3 ...*And I knew such a man, whether in the body or out of the body, I cannot tell. God knoweth*

Vs. 4 How that he was caught up into paradise, and heard unspeakable words which are not lawful for men to utter

Many times when the Apostles see revelations, there are told to seal it, it's for an appointed time.

But now people come back with every message, this is deception. There are few people however who we have judged their revelation based on the integrity of God's word and we have found that their messages have brought healing and hope for the body of Christ.

For such kinds of people, we commend them and endorse them. But, even at that point, their word did not become the final yardstick.

Any vision, no matter how authentic the experience must be, it is must be proved in the word of God, not just confirmed. If you are looking for confirmation you will find it there in the Bible.

The Bible is a prophetic book; you can make it speak any language you want. It is not just to confirm things, but to prove them, test the spirit behind it.

Everybody is looking for confirmation; they get the message from all kinds of realm. The Bible proves all things yet nothing proves it.

Talking about the bible, I'm not talking about the errors of men, but the edited spirit word that is given.

Neglecting the reality of spiritual laws- spiritual laws abound, they exist, they are real as physical law. God didn't kill Cain when he sinned because he knows that there were spiritual laws and those laws will catch up with him.

When you violate certain things and some things happen to you, it's because there are laws. Curses and yokes are real, the manifestation of witchcraft in families is real. What light does for us is to tap into what Christ has done and exempt ourselves.

Psalms 64 vs. 1 *Hear my voice oh God, preserve my life from the fear of my enemies*

Vs 2 *Hide me from the secret counsel of the wicked from the insurrection of the workers of iniquity*

Vs. 3 Who whet their tongues like a sword and bend their bows to shoot their arrows, even bitter words

Vs. 4 That they may shoot in secret at the perfect: suddenly do they shoot at him, and fear not

Vs. 5 They encourage themselves in an evil matter; they commune of laying snares privily; they say, who shall see them

Vs. 6 They search out iniquities; they accomplish a diligent search; both the inward thought of every one of them, and the heart is deep.

These people go back to archives and search out the iniquity, they are meticulous....blotting out every handwriting, which means there are handwritings and ordinances.

When angels fell, they wanted to translate themselves back to their angelic state, they did not know that God has the power to stop them, they are ones who have become demons today. So they need material bodies to find expression. This is the basis of traditionalists, the basis of a lot of things that we celebrate in the rampant outbreak of the prophetic that we call work of knowledge.

How can an herbalist give you an accurate word of knowledge, because they don't have the Holy Spirit, so there must be some spiritual system?

Many of us and our loved ones are victims of these things, but they prayed for you, and yet these things still follow you. But when there is light, darkness must bow.

Every time you speak, the realm of the spirit will check what revelation you are standing on. That is why some people's words are not powerful, because the devil knows you don't even know what you are saying; you are just carrying the delusion of faith. When you have spiritual intelligence, there is light in your spirit, it is that light that will fall that dimension of darkness.

Some people come for miracles and after so many prayers, yet the matter becomes worst.

We want to reconstruct, examine what is responsible for the darkness in our lives, nothing just happens.

(Prayer: The light of God is upon me, taking away every darkness and by the power of the Holy Spirit, I become the agent of healing, prosperity, deliverance, and grace to all around me and my family members)

This is what is responsible for many things in our family. You found out that certain tribes and geographical places are prone to certain attitudes. There is a spirit upon the continent of Africa. You see people coming from several states and places and see the patterns, and yet we say there is nothing wrong.

Light doesn't beg darkness; authentic light comes and comes to conquer. This is the mystery behind the healing of diseases. When you understand them, no man of God will boast and brag in himself because in all sincerity when you know this, it's just a proper application of spiritual intelligence.

A time will come, what we celebrate as power will take another dimension, what men of God have done, it is ordinary people that will be doing it because of the higher dimension of grace.

This training puts you to work immediately and your Jerusalem is your family. When you sustain a level a spiritual intelligence, you can say "light be" and it will become.

God Bless You.

Laws of Kingdom wealth: In this Book, it started with the discussion of the economic system of the kingdom of God, and we need to understand that the battle for wealth and prosperity is not just about the desire to use money to prove a point to people around you, but that there is a program and there is an agenda that is bigger than the personal interest of men, its important to get this, that prosperity is not just about the propriety for affluence but it's the time redemption strategy.

Paul was teaching the church in Ephesus and he admonish them to redeem time and he said the reason why they should redeem time is because the days were evil and the days are still evil, so we must access the system of God that makes up time for redemption, also in my previous message, I also spoke about preserving our soul while we prosper, that satan is not after your money , he's not after real estate, he's not after any of these things, he's after the souls of men and that he will use the journey or your desire or your need for financial prosperity to force you to exchange your souls the kind of prosperity that he gives and the bibles says what shall it profit a man to gain the whole world and then loses his soul.

in the economy of the kingdom, we must realize that all blessing and that includes wealth, all blessings comes from God, that in this kingdom, structures, system, jobs, businesses and are only conduits of the blessings and not sources. It is a fundamental spiritual understanding that we must have, so your boss, jobs, businesses, investment, whatever it is, is only a vehicle, a funnel of blessing.
